

Divya Academy

About us

Diya Academy had been established in Allahabad on 5th April, 2007 with a firm determination of providing the best coaching program for academic studies.

The institute took the most sophisticated steps to run programs for ICSE, ISC, CBSE and UP Board. In the year of 2008 we made 17 toppers in ECPS and MLC. In the year 2009 we made 26 toppers in different schools and boards.

Year 2010 brought us another glory and we generated 33 toppers. We created 42 toppers in 2011 and 49 toppers in

Mission

To make "Diya Academy" the best Institute for Academic Studies in India.

To teach our students for the best results and to make them well prepared for further studies and career.

To provide education to the needy.

Motivational Activities

We organize Annual program on 1st of January every year. The Chief Guest of our program and the source of our inspiration is Mr. Kapil Muni Karwarya (M.P.) This program is organized for generating a self preparing

Extra Activities

We are running "Diya Academy" under the guidance of Purvanchal Nirbal Varg Gramotthan Samiti (An N.G.O.) by Mr. Manish Kesarwani. This N.G.O. works for the progress of poor and needy people by providing them free books and education. Our N.G.O. also works for Global Environmental Protection.

Review

In the world every country Forces to aware our peoples for education because she knows this is one of the best way and a perfect way to raise her country and develop her economy and she knows very well that this is the only way to show her presence to the front of all competitive sectors.

In india from the very ancient times our gurus & priests have been educating the people in asrams. so they had not just educated but also they had developed their personalities.

so in new era we have got lot of Institutions which shape us for better future.

Diya academy is one of them.

The one and only Institution in Allahabad with a difference...

All streams of subjects : Mathmatics, Science, Commerce, Computer & more are taught with physical facilities and truly academic atmosphere which encourage students to involve in innovation & creativity with a blend of competition among each other.

We also cater to the future guidance of each student proper carrier in all sectors.
